

# BRIDGNORTH LIVESTOCK MARKET

## WEEKLY REPORT – 17.06.25

### 64 PRIME CATTLE

**Auctioneer – Mark Burgoyne 07831 192603**

With a good haymaking week forecast there were fewer beasts forward this morning. The larger supermarket suppliers took significant money out of their quotations for this week, so it was pleasing to see prices firming a little in some cases – a small 'glimmer' of light perhaps?

A dozen steers sold pretty well to highs of 390p/kg with other weights to £2842 in the lump.

Trade was sharp on butcher's cattle to 480p/kg! Heavier heifers sold to £2600.

Bull prices held their own with heavies excelling at 383p/kg or £2918.

### 44 CLEAN CATTLE

#### 12 STEERS SOLD TO OV AV 352P/KG

Mrs B had top call here with her grey blue steer 648kg at 390p/kg, closely followed by John Cantrill who sold to 385p/kg for 568kg Limmie cross. British Blues from Evans Curdale did not stack up too badly with 812kg steers selling to £2842 and £2809. Red Herefords sold to 358p/kg for 514kg from Roger Rowson.

#### 32 HEIFERS SOLD TO OV AV 381P/KG

Two super Limmies from Rhys & Tom Perkins excelled here at 480p/kg for 512kg and 462p/kg for 514kg. Mrs B took third spot with her 546kg Limmie selling to 450p/kg and Charolais to 434p/kg from Harvey Parkes. Charolais crosses added up to £2600 for 688kg again from Mrs B.

#### 20 BULLS SOLD TO OV AV 347P/KG

Richard Yates was top dog here with his 762kg stormer of a Lim to 383p/kg (£2918.46). Dan Rodenhurst sold his best Lim to 378p/kg for 600kg, with his second to 374p/kg for 580kg. A 604kg Blonde sold to 370p/kg from Hayden Burton.

Deadweight centres keen to drop the price for any reason, with the market prices doing well to resist downward trends.

More lambs this week over £180 with lambs over 44kg definitely easier to sell.

**AMC - providing certainty in such uncertain times  
Specialists in long term mortgages and loans for farms  
and rural businesses**

The end of some grant schemes, combined interest rates rising so quickly and the unprecedented levels of volatility in both commodity prices and input costs, means that forecasting future cashflow is perhaps more difficult than at any other point in recent memory - something which is clearly at the forefront of many farmers' minds. Such uncertainty is leading to many businesses consolidating by using any surplus cash to reduce debt, rather than investing for the future.

For those who do not have the means for debt reduction or are looking to align themselves to take advantage of whatever opportunities emerge from such uncertainty, now may be an appropriate time to review the structure of existing long-term finances to ensure that the business is more resilient, whatever the future may hold. When considering finance in such a way the rule of thumb is always the same, to borrow over as long as possible (to minimise monthly outgoings) and then to repay as quickly as possible (to minimise the total interest paid to the lender).

AMC can support with the following areas: Buying land; new buildings; restructuring borrowing; paying out a retiring partner; building improvements; purchasing machinery; renewable energy projects; sustainability improvements or diversification. Amounts can be from £25,001 or more and long-term lending from 5 to 30 years, with interest only or repayment options on a variable or fixed rate basis

**For more information in full confidence, telephone  
Rob McCabe, the AMC Agent at Bridgnorth**
