

BRIDGNORTH LIVESTOCK MARKET

WEEKLY REPORT – 3.06.25

86 PRIME CATTLE

Auctioneer – Mark Burgoyne 07831 192603

Trade continues to ease with beef sticking in fridges nationally coupled with imported product encouraged by larger players to increase the pain! Prices still pretty good realistically but not quite what they were.

More steers forward saw handyweights to 412p/kg with heavier bullocks to £2515. Top priced heifers sold to 456p/kg with several past 400p/kg. Heavy females sold to £2712. Bull trade much steadier with some good beasts forward with noting to 400p/kg and a top call of 385 p/kg or £2916 in the lump.

**AMC - providing certainty in such uncertain times
Specialists in long term mortgages and loans for farms
and rural businesses**

The end of some grant schemes, combined interest rates rising so quickly and the unprecedented levels of volatility in both commodity prices and input costs, means that forecasting future cashflow is perhaps more difficult than at any other point in recent memory - something which is clearly at the forefront of many farmers' minds. Such uncertainty is leading to many businesses consolidating by using any surplus cash to reduce debt, rather than investing for the future.

For those who do not have the means for debt reduction or are looking to align themselves to take advantage of whatever opportunities emerge from such uncertainty, now may be an appropriate time to review the structure of existing long-term finances to ensure that the business is more resilient, whatever the future may hold. When considering finance in such a way the rule of thumb is always the same, to borrow over as long as possible (to minimise monthly outgoings) and then to repay as quickly as possible (to minimise the total interest paid to the lender).

AMC can support with the following areas: Buying land; new buildings; restructuring borrowing; paying out a retiring partner; building improvements; purchasing machinery; renewable energy projects; sustainability improvements or diversification. Amounts can be from £25,001 or more and long-term lending from 5 to 30 years, with interest only or repayment options on a variable or fixed rate basis
