### 75 PRIME CATTLE/7 CULL COWS/BULLS

**Auctioneer – Mark Burgoyne 07831 192603**

Numbers steadied up once again with buyers looking for meat in readiness for the festive season. A very good trade throughout despite some buyers switched off on best heifers. All cattle that were nicely finished were rewarded and more were needed to satisfy awaiting orders, with commercial types selling particularly well.

A disappointing show of steers saw the heady heights of 316p/kg reached to £1852 in the lump. Some tidy heifers once again topped at 351p/kg or £2155 achieved as a body with 18 selling at 300 pence a kilo or more.

A mixed show of bulls saw the best to 274p/kg for 676kg Limousin at 28 months, with shorthorns to 266p/kg. Fit Herefords excelled at 254p/kg for 576kg, with Angus to 262p/kg for 566kg, Black & Whites topped at 203p/kg.

6 cull cows and 1 stock bull met a steady trade but no worse helped by a prevalence of assured cattle. Angus cross cows sold to 136p/kg for 624kg or £849 in the lump.

**800 LAMBS****Auctioneer – Martin Clack 07977 067519**

An improved trade for what was an indifferent yard of lambs.

Best lambs to 321p/kg for 46.5kg Beltex from Pete Morris, with butcher's lambs generally 280p/kg plus. Lambs under 40kg easier to sell but probably more a reflection of quality with the lighter lambs having more finish. Heavier lambs to £190 for Texels from Nigel Kinsey with the heaviest or best over £130 and 53kg Texels from Ian Preece to 264p/kg.

More lambs required for next week's Christmas Fatstock – judged this year by Mr Alex James.

### AMC - Providing Certainty in Uncertain Times

The degeneration of the BPS scheme, combined interest rates rising so quickly and the unprecedented levels of volatility in both commodity prices and input costs, means that forecasting future cashflow is perhaps more difficult than at any other point in recent memory - something which is clearly at the forefront of many farmers' minds.

Such uncertainty is leading to many businesses consolidating by using any surplus cash to reduce debt, rather than investing for the future. For those who do not have the means for debt reduction or are looking to align themselves to take advantage of whatever opportunities emerge from such uncertainty, now may be an appropriate time to review the structure of existing long-term finances to ensure that the business is more resilient, whatever the future may hold.

When considering finance in such a way the rule of thumb is always the same, to borrow over as long as possible (to minimise monthly outgoings) and then to repay as quickly as possible (to minimise the total interest paid to the lender).

Following this principle means that cashflow is not unnecessarily committed to existing loan repayments such that not only can any leaner years be managed more comfortably but capacity remains to service further debt in order to take advantage of unexpected opportunities, such as buying neighbouring land.

When borrowing from AMC, loans can be available for up to 30 years and, when borrowing on a variable rate of interest, the borrower is at liberty to make additional capital repayments at any point in time, hence businesses can borrow over a very long term but then repay much sooner, if cashflow allows.

Opportunities to buy neighbouring land rarely present themselves at the right time and hence AMC's unique ability to offer long-term interest-only funding also allows such opportunities to be taken more with more confidence, while still servicing other commitments.

## ANTIQUES & COLLECTABLES AUCTIONS

For over 50 years Nock Deighton Agricultural LLP (NDA) have been holding twice-monthly auctions of antiques, collectables and household furniture. The average lots per auction are in excess of 800 up to 1000, giving a good depth and spread of interest to all who take part. Lots can go for as little as £1 for a mixed box or as much as £3,000 for a specialist item – such as the Regency wrought-iron pad-footed garden bench (below) - which recently sold following some intense bidding from buyers online and in the sale room.

Dylan Ward and the Auction Team offer a complete service, including house clearances, appraisals, valuations and advice on the best route of sale. Post-sale we can offer post and packing to UK destinations for smaller light items.

Dylan oversees the categorising and lotting of the diverse items we receive, they are then arranged in the sales room, labelled with the owner's sticker, photographed and finally briefly described for the [easyliveAuction.com](http://easyliveAuction.com) on-line system.

For the future, Dylan has ambitious ideas in bringing the auction experience closer to interested sellers and buyers with presentation, personal service and respectful handling of auction lots. Auctions can be exciting, especially when bidding is intense. We are seeing many new customers using the on-line system for the first time and being delighted with what they have bought and the service provided by our staff. It is our intention to make the whole experience easy and enjoyable for both buyers and sellers alike.

Sales are now catalogued with a full pictorial version displayed online, with live internet bidding, as well as bidding in the saleroom. The new Facebook  page is available by searching for **Nock Deighton Antique & Collectable Auctions** and this shows a selection of lots for forthcoming sales.
