Solid numbers once again this week with a variety of quality forward to meet all budgets!! Trade surprisingly good considering the beef deadweight quotations with buyers still putting faith in the beef sector. Only a few heavy sorts this Friday with those selling on par with national trends and would be back on previous weeks but no means a disaster!! 695kg AA steer from R O Williams topped the days trading at £2450 with 595kg Charolais from T & D Evans selling next at £2250 and £2190. Salers from the same home to £2160 with Welsh Black bullock from R Griffiths selling to £2140. Plenty of 500kg+ bullocks over £2000 with T J & E E Davies selling best of the young steers to £2100 at just 13 months old. 11-month-old Charolais from P Davies flew to £1300 for 280kg topping per kilo at 464.3ppk. Plenty over 400ppk showing how store cattle trade here at Carmarthen!!

Heifers topped at £2420 for 600kg Lim x from T J E Davies with 530kg Lim x heifer from F G Phillips selling next at £2180 from W M & D M Morgan. Again, plenty of fleshy heifers over £2000 or 400ppk with 13-month-old Charolais from P Davies headlining per kilo selling 215kg to £1010 or highs of 469.8ppk. 11-month-old BRB x from Dolgian farms flew to £1440 for 315kg or 457.1ppk.

A big thanks to all vendors for your continued support with big weekly numbers definitely drawing the buyers from near and far!! Same again next Friday!!
