PRIME LAMBS

A very pleasing increase in numbers with last week's trade inviting many new vendors to the alleys here in Carmarthen! With the festival knocking the door and the tups therefore separated, a buzz appeared from the start and trade remained very consistent until the last pen! The general run saw lambs trade 350-360p/kg with highs of £4/kg for 36.5kg Dorsets from Davies, Gwndwn. Griffiths & Lawrence, The Ridge sold their well-bred lambs to 384p/kg with lambs topping at £160 on the day for 49kg from Davies, Abernant. Smart continental tup lambs from Evans, Glyn yr Odyn reached £149 with plenty of consignments leaving with averages showing more than 360p/kg. With all weights and breeds in, the lambs averaged 344p/kg which proved to be a very competitive average nationally. Lambs required in numbers each Friday at Carmarthen please.
