Some trade in the store section this month with a complement to all our vendors for a quality yard of cattle. Super prime values filtering through to the store cattle trade with the forward cattle here this month very dear and arguably dearer than our weekly green market store sales. 23-month-old Lim steer from A Thomas topped the section at a whopping £1880 with dairy bred Hereford steer next from JJ & J Hodson sold at £1740. 26-month-old Charaolis from the same home to £1710 with a number of those £550kg steers to £1600-£1700. 510kg dairy bred Limmies bullocks from Messers Bevan hit £1560 or 305.9p/kg with younger Lim steers from E H Davies topping at 315p/kg. 620kg dairy bred blues from E H & J Edwards sold to highs of £1610 with Lims from the same home to £1490. Charolais from the same home selling at £1450. Plenty of those 450kg heifers from £1200-£1300 with a run of Angus heifers from H & M R Thomas looking well sold at £1120 or 294.7ppk for 380kg. Steers averaged £1438.18 and heifers £1274.06 with these averages reading very well, making the orange sale here at Carmarthen mart a -
