

CARMARTHEN LIVESTOCK MART WEEKLY REPORT –08/04/24

70 STORE CATTLE

Auctioneer – Llŷr Jones 07812934964

Numbers up on the month with more vendors willing to put faith in the Orange Sale. Trade very much on par with normal store markets with the strong cattle arguably dearer than our normal Friday store sales!! Best types easily up around and over that 300p/kg barrier with dairy bred Angus steers selling to highs of £1970 (725kh) from TGB & SM Thomas. Best of JD & MB Williams run of wonderful Charolais cattle sold next at £1680 and topped pence per kilo at 314p/kg for two 535kg Charolais bullocks. 23-month-old Simmie's well sold at £1540 from VE Thomas & Co. Plenty of strength £1300 and over with Fleckvieh steers from GR Evans finding highs of £1290. Younger steers would be harder work at times if under 300kg, however dairy bred 14-month-old Blues looked well sold at £1020. Best of the bulls sold to £1000 for a 15-month-old Angus from DJ Thomas & Sons.

2 Angus heifers from TGB & SM Thomas topped the heifer section at £1580 (645kg), with Blues from the same home selling at the same money. 600kg 37-month-old Limmie's to £1520 with two-year-old Limmie heifers from JD & MB Williams selling to £1420 (485kg), and highs of 292.8p/kg. 14-month-old Blue heifers from Cribor Fach CYF sold to £1040, with a Fleckvieh heifer from GR Evans selling to £860 (405kg).

A very successful sale and Thanks goes to our faithful vendors and purchasers for you continued support!
