

# CARMARTHEN LIVESTOCK MART WEEKLY REPORT –12/08/24

## 194 STORE CATTLE & BARREN COWS

**Auctioneer – Llŷr Jones 07812934964**

Probably the biggest entry to date on our monthly TB restricted sales. Numbers drew more buyers and a very satisfying trade was seen on biggs and smalls and a big thanks goes to our vendors for putting faith in the auctioneers as we know how difficult the situation is on selling your restricted cattle! We started the day with 4 cows with best farm assured sorts a premium and selling to 199p/kg or £1120 for 562kg Shorthorn milkers from E & S Thomas. Lighter Hereford cows from AG & EJ Bennett sold next at £900 (508kg). More cows needed with current liveweight prices towering falling deadweight quotations!

190 store cattle followed in blistering prices selling to 9 different buyers! 27-month-old non assured BRB steer topped the morning at £1760 from C & TA Rees. Angus bullocks sold next at £1710 from DOV Johns with Limmie's from SH & DH Thomas selling to £1550. Plenty trading over £1400 with smaller bred steers around that 400kg anywhere from £1050-£1150.

Heifers topped at £1770 for a pair of Charolais from DOV Johns with a run of heifers from the same home trading around that 300p/kg with 545kg BB's selling to £1640 and 500kg Lims to £1540. Plenty of fleshy heifers over £1200 with anything under 400kg around £1000.

9-month-old bulls sold to £1030 from A Thomas with several buyers looking for bulls to go onto feed.

Next sale Monday 9<sup>th</sup> September. Applying for a licence is nice and easy. For any assistance please do not hesitate and get in touch with one of the team and we'd be happy to help. Thankyou once again for your support, Diolch!
