

# CARMARTHEN LIVESTOCK MART WEEKLY REPORT – 13.11.23

## TB ORANGE SALE

### 139 STORE CATTLE

Auctioneer-Llyr Jones 07812934964

A great entry, which allows TB restricted cattle to be traded at competitive levels. The bigger and more forward cattle would be no different in price to our normal regular store cattle sales.

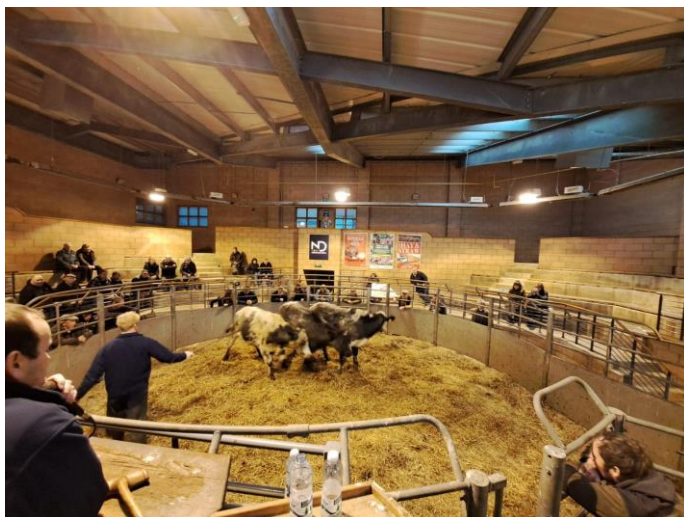

A tremendous run of Charolais cattle from A John sold to highs of £1610 for 27-month-old steers. Others to £1600 from the same home. 39-month-old BB's to £1480 with plenty of the 500kg + stores over£1200.

Younger AA steers to £1150 from EM & CP Phillips. 25-month-old Charolais heifer from A John found highs of £1540 and two others at £1450 and £1440. Limmies to £1360 from G D T James & Sons with plenty over the £1200 mark.

Younger cattle would be harder work with 270-330kg trading £350-£600. Next sale pencilled in for Monday 11<sup>th</sup> of December.

100+ cattle required with plenty of choice of buyers to take all types of cattle. Get in touch for any further information or to apply for a licence to sell!
