As of 02/10/23 the rules are changing regarding selling cattle from TB restricted holdings.

If you apply for a general licence to move cattle to a red slaughter market or direct to slaughter you can also use the same licence to bring store fat and cull cattle to an orange market!

You will no longer need to apply to get an individual licence for each consignment sold.

This will make it far easier to sell your TB restricted cattle in the orange market - for more info ring Paul on 07815509504.
