

NEWCASTLE EMLYN LIVESTOCK MART WEEKLY REPORT – 04.04.24

14 CALVES

A similar entry on the week with more calves desperately needed every Thursday at Emlyn! A very consistent trade on all types, saw a blue heifer from Lloyd-Jones, Ystrad Dewi sell to £265 with Hereford heifers from the same home topping at £100. Angus heifers from the same home sold to £90, with the Blues once again topping in the bull calf section at £165. Angus bulls reached £125 with very few Friesians reaching £35.

314 CULL EWES & RAMS

A very good entry of culls once again at Emlyn with a belting trade from start to finish resulting in an overall average of £140.72! The stronger end continues to be comfortable in excess of £150, with a lot more ewes trading over the £100 barrier where they have been sold in the high 80's/90's previously.

Topping the day were strong sorts from Whittal-Williams, Cwm Farm at £187, with Davies, Glanwern close behind with ewes selling to £186. There was an excellent show of ewes on offer with unbelievable amounts of pens in excess of £170, resulting in vendors leaving extremely pleased on the day. It was the same story in the ram section, topping a £179 was Howells, Claibach, whilst Ellis, Tyrhos sold to £170.

Close to 10 buyers present every Thursday at Emlyn on the culls, we go again next week aiming for the same outcome! Diolch!
