101 STORE CATTLE

Just over the 100 marc with every one beast selling to full potential and more!! Plenty of wind behind the trade with Emlyn proving that there is no need to travel cattle any further with the trade seen here today!!

24-month-old Limmie steer from C Rimmer flew to £1790 and others from the same home to £1650 and £1590. Best of the young steers saw 13-month-old Charolais to £1330 with out wintered Flevvieh steers looking good money at £1200. Limmie heifer topped at £1530 from J C & S C Jones with 14-month-old Charolais heifer well sold at £1340. All steers and heifers averaged over £1150 which would read well for a very young entry of dairy bred x suckler bred cattle. A big entry required next sale in two weeks' time with buyers here from near and far competing for your store cattle.
