

CARMARTHEN LIVESTOCK MART WEEKLY REPORT – 25.03.22

44 TESTED + NON TESTED COWS / STOCK BULLS

Auctioneer – Mark Burgoyne 07831 192603

Another belting trade in Carmarthen once again with more numbers which is great to see. The support from farmers is much appreciated in our new venture and we will continue to sell your cattle to advantage and strong buying support will be guaranteed. We will have buyers for 50 plus cows next week. Please let us know your entries and the buyers will be here.

Young Holsteins from Jones, Llwydcoed Isaf sold to 197p/kg for 668kg or £1315.96. Tested Hereford Cross cows sold to 175p/kg and 173p/kg from Corrick, 10 Mount Pleasant with untested Herefords to 171p/kg from Jones, Brynmeini who sold his Angus to £1264.88 for 776kg. OTM Fresian sold to £1256.73 from Davies, Parcwilws for 771kg. Blue Stock Bulls sold to 140p/kg for Edwards & Mason.

We hadn't got too many heavy meat cows this morning, but a great result with the plainer sorts looking especially well sold. Looking forward to another good sale in Carmarthen next Friday. Diolch yn fawr.

212 STORE CATTLE

Auctioneer: Huw Evans – 07976 328177

Carmarthen numbers up on the week and trade also heading in the right direction. Forward stores were selling particularly well with top price for the day, a Charolais steer from Williams, Penralltfangor at £1645. Hereford steers from Davies, Parcwilws Farm sold at £1440 and Blue steers from Griffiths, Paniouar sold at the same money. Heifers were also selling well with Phillips, Moor Farm at the peak of the heifer trade with his Blue heifers at £1240. Parcwilws Farm also sold their Hereford heifers at £1200. A lot of younger cattle were presented on the day with over half the cattle under 18 months of age. The younger steers sold to £1260 while the stronger steers over 18 months averaged £1144 throughout. Heifers were also a similar split in age with the younger heifers selling to £1060 and all heifers over 18 months averaging £1001 on the day. Carmarthen trade is right up there with national trends.
