

CARMARTHEN LIVESTOCK MART WEEKLY REPORT – 13/03/24

157 DAIRY

Auctioneer – Llŷr Jones 07812934964

Probably the largest crowd seen ringside with a real buzz seen at Carmarthen. The day started off with around 35 freshly calved animals which met a fierce trade throughout. "Brynllan MVP Keri" a 3rd calver giving over 40litres a day from Brynllan LTD topped at £2450 with another from the same herd selling at £2100. R D Law showed a wonderful run of heifers with his best reaching £2400. Plenty over £2000 this week with the cows averaging just shy of £1800 and heifers over £1950. Bulling heifers from P & M C & R & C A Richards topped at £820 with heifer calves from Birdcombe Farms reaching £300.

We ended the day off with the dispersal of the SANTAMARIA herd on behalf of T & A Hack and family. It was with great sadness that the Hack family had to disperse their well-established herd which drew a number of buyers from all parts of Dyfed counties. Top of the day was a Kitty bred from a list of generations in the top two grades. She found her way to £2500 with SANTAMARIA SILVO JANE a 2nd calver due end of July selling next at £2200.

The youngstock drew a large interest with a Sideroad Glenys due in September topping at £1100. Best of the calves flew to £1020 for a 6-month-old Henley Snowdrift. We would like to thank all vendors for today's sale and wish Tony Hack and family the very best for the future!! We go again next Wednesday which includes the Holstein south Wales show & sale.
