

CARMARTHEN LIVESTOCK MART WEEKLY REPORT – 23/07/25

25 DAIRY

Auctioneer – Llyr Jones 07812934964

A few less numbers on the week, highly likely due to the Royal Welsh show. It was more quality rather than quantity this Wednesday with overall averages speaking volumes about the trade.

All heifers nearly £3000 average at £2978.13 this including a few $\frac{3}{4}$ and light quartered heifers. Top of the day went to E Thomas for a 26-month-old V D R Slash daughter giving over 30kg a day. She sold at £3600 with H R Lewis selling 34kg heifer next at £3500. Plenty over the £3000 barrier with traditional British Friesian heifer from D V G & W J & G L L Evans selling at £2700. Trade strong for all types with unbalanced heifers reaching £2550, this showing how strong the market trade is. Best cows to £2800 for a 3rd calver from ongoing dispersal on behalf of J C & F Isaac. Bulling heifers sold to high of £1420 for a Norwegian red heifer from T E & M R L & E G Jones with calves from Forest farms LTD selling at £400. A big thank you for your support on this Royal Welsh week. We hope to see a full squad of staff back next Wednesday all sobered up, (Hopefully).
