## 91 DAIRY

### **Auctioneer – Llyr Jones 07812934964**

A good entry of near 70 fresh at better levels than anticipated with many buyers taking advantage of the dry spell and farming the land. Plenty in the £1700-£2000 bracket which would probably look dearer on the week! Fferm Gilfach sold one of his eight heifers to highs of £2000 and others from the same home to £1880. 9 other outfits over £1800 with all heifers levelling out at £1651.76. Brynllan showed another run of his continued dispersal with a 3<sup>rd</sup> calver topping the section at £2180. 4<sup>th</sup> calvers from TG GM JS & RA Morgan sailed to £1900 with plenty of cows over £1600. All cows forward averaged at £1543.98. In calf heifers topped at £1250 from J Reed, with CL & SG Jones also selling their best Friesian type heifer to highs of £1250.
