

# CARMARTHEN LIVESTOCK MART WEEKLY REPORT – 26/03/25

## 70 DAIRY

**Auctioneer – Llyr Jones 07812934964**

A few more numbers in the fresh section with the youngstock proving very difficult to find!! A very two-tier story to the fresh department this Wednesday with the overall figures and list of prices probably not telling the whole tale today!! The better end would be an easy seller, albeit not to previous weeks highs with the second quality harder work at times. Hopefully a small blip in trade with a lot of work being done on the land making it a very “up & down” trade. G Williams Penyngenhill took all the sboils selling two outstanding heifers at £3100 with another from the same home to £3050. G Davies & Co sold their best heifer also at £3050 with a 35kg heifer from H R Lewis selling to £3000. Plenty of fresh £2700-£3000 with Friesian type heifers anywhere from £1800-£2300 this week. All heifers levelled out at £2203.41.

A Norwegian red x 3<sup>rd</sup> calver giving 45kg a day from G B & C A Davies topped the cows at £2500 with a very well balances 3<sup>rd</sup> calver from D G & R P Lewis selling next at £2400. Several individuals £2000 -£2300 with older cows £1500-£2000. All cows levelled out at £2060.

A super group of well-bred Holstein Friesian calves found new homes at £460 from Trewern farm LTD with others at £390. A big thanks to all vendors as we look forward to next Wednesday.

Entries to the mart office please! Diolch yn fawr.
