Auctioneer – Llyr Jones 07812934964

More weekly, with more youngstock on top of 50 fresh this week which was very encouraging to see. Plenty of demand for all grades of dairy from baby heifer calves which sold to £380 from H R Lewis twice and £310 from Parcyrabbott farm LTD. Fresh trade on fire from start to finish with averages reading similar on the week., However this included a large number of crossbred and ¾ heifers in the overall reading. Rhydsais cyf sold their last of a wonderful run of heifers to top the section this week. A strong powerful commercial heifer, calved 3 weeks giving 35kg a day flew to £3500 with others from the Evans Family selling at £3350 & £3200. R & M Lougher broke the £3000 barrier with ease with their Atlantis daughter giving 42kg a day selling at £3400. D Davies also got a heifer to £3000, which actually was one but last in the fresh section to sell this Wednesday, showing how strong the trade was from start to finish!! All heifers levelled out at £2355.14.

Cows sold to highs of £3250 for a 2nd calver from R & M Lougher with J C & G Isaac continuing their dispersal selling 3rd calver to £2980. Further second calvers from J M Reed sold to £2500 and £2400, with all cows levelling out at an average of £2220.00.

A selection of late lactating and dry cows from Leverett farming LTD peaked at £1500 three times with heifer close to calving from D J, M D, & S G Lewis selling to high of £1900 and £1800. C L & S G Jones sold a run of September calving Friesian type heifers to high of £1680 with A Jones selling his best in-calf heifer to £1620. Jersey x bullers from Leverett family to £570 with 10-month-old maiden heifers from M Evans selling to £920 and £800.
