

CARMARTHEN LIVESTOCK MART WEEKLY REPORT – 31/01/24

104 DAIRY

Auctioneer – Llŷr Jones 07812934964

A super weekly entry which had dairy stock to suit everyone. Edge was off the best freshly calved heifers, and in contrast the second quality remained a firmer trade, pretty much like last week. Only one heifer passing the £2000 mark selling to £2150 from R & M Lougher. Strong heifer from R J Rees sold to £1900. The general run £1500-£1700 with Friesian types either side of that £1500 barrier. Brynllan sold a second calver to top the cows at £1980.00 with a second calver from CJ & BR & RJD Jones and from TC & EGG Evans both selling next at £1900. Again, the general run for cows would be £1500-£1700 with the older cows £1000-£1200. With over 60 freshly calved animals' respectable averages achieved with Heifers levelling at £1636.40 and Cows at £1434.94. In calf heifers from 3 vendors peaked at £1100 for Holstein Friesians from CGMT Ltd with others at £1050 from the same home.

We go again next Wednesday and entries are needed to our mart office please. 01267 493200.
