

NEWCASTLE EMLYN LIVESTOCK MART

WEEKLY REPORT – 26.06.25

454 NEW SEASON LAMBS (335.07.avg /kg)

Similar numbers on the week with several runs of well fleshed lambs in the entry!! These in turn receiving a very satisfying trade with those 40kg+ lambs meeting premiums of 340-350ppk however, 38kg lambs from H R Lewis headlined per kilo at 357ppk with same weights selling next at 352ppk. 45kg from M Thomas sold to highs of 348ppk with plenty of 42-44kg - 340-345ppk. Heavier is better demand than of late with 49kg from H M Winsor topping the section at £165.50. 46.5kg from C Griffiths sold to 344ppk or £160 with more heavies £160-£165 and would tower over deadweight quotations. More lambs needed next Thursday please!!

A few pens of store lambs sold to £104 from E A Davies who also sold others at £101. Hogs from W Evans to £138 and more store lambs will be needed going in to July/August!!

97 CULL EWES & RAMS (avg £139.70)

Steady numbers but certainly a fast-paced trade on all types from start to finish!! Best continental ewes top at £215 from Webster farms with more strong ewes to £200 from Davies Glanant. A good run of continental ewes to £189, £174 and £171 from Evans Pantirion with Wyse, Blaenwthan's entry selling to £170.

Plenty of trading over £150 with the lean ewes a fair shot up to £130-£140 for the larger frame whilst the strongest hill ewes easily to £140.

More ewes required each week at Emlyn please to meet buyer demand!!
